EXPERIENCE

UI/UX Intern

February 2025 - Present

SAA Consultancy

Bhopal

- Collaborated with the design team to implement user-centric solutions, contributing to an improved overall user experience.
- Applied design principles and best practices to create aesthetically pleasing and cohesive user interfaces.
- Developed intuitive webpages with adobeXD, Figma.

Frontend Intern

April 2022 - June 2022

LiftKaro

Remote

- Contributed to system design and management for Liftkaro, a startup focused on ride-sharing solutions.
- Proficiently applied responsive design principles to ensure optimal user experiences across diverse devices, enhancing accessibility and usability of web applications.

PROJECTS

Listings and Reviews Platform - NodeJs, ExpressJs, PassportJs, MongoDB ([TRY IT HERE](#))

- Developed a full-stack web application structured with the MVC architecture, promoting organized code by separating data models, user interactions, and backend logic.
- Implemented CRUD features for property listings, integrating Cloudinary and Multer for seamless image uploads and MongoDB Atlas for efficient cloud-based data storage.
- Engineered secure user authentication and authorization using Passport.js, featuring session management, access validation, and ownership checks to protect review posting, updating, and deletion processes.

Online Judiciary Platform - NodeJs, ExpressJs, MongoDB ([TRY IT HERE](#))

- Built a web-based platform to digitize and modernize the judiciary system, enabling lawyers and clients to access legal services via laptops and smartphones, with an existing database optimized for efficiency and scalability.
- Implemented key features, including strong user authentication, detailed case management, secure document storage, and advanced search capabilities to ensure smooth user interactions.

ACHIEVEMENTS

- Provided strategic mentorship to a team of 5 students in the Green India Hackathon, successfully steering them towards pioneering solutions for critical environmental challenges.
- Appointed Growth Manager at PrepInsta Prime Campus Club, leading strategic initiatives and driving growth.
